

Burnopfield Primary School

Parent Code of Conduct

2023/2024

Purpose

At Burnopfield Primary School, we believe it is important to:

- Work in partnership with parents to support their child's learning
- Create a safe, respectful and inclusive environment for pupils, staff and parents
- Model appropriate behaviour to our children at all times
- Be mindful of the wellbeing of our staff and community

Expectations of Parents/Carers

To help us do this, we set clear expectations and guidelines for the behaviour of members of our community. This includes staff (through the staff code of conduct) and pupils (through our behaviour policy).

We expect parents, carers and other visitors to:

- Respect the ethos, vision and values of our school
- Work together with staff in the best interests of our pupils
- Treat all members of the school community with respect –including other parents and children
- Talk about our staff with respect to other adults and to children
- Seek a peaceful solution to all issues
- Correct their own child's behaviour (or those in their care), particularly in public, where it could lead to conflict, aggression or unsafe conduct
- Approach the correct member of school staff to help resolve any issues of concern- your child's class teacher should be the first port of call for day to day queries
- Follow the school's policy on emailing teachers

- Swearing or using offensive language
- Any aggressive behaviour (including verbally or in writing)
- Displaying a bad temper or shouting at members of staff, pupils or threatening another member of the school community

- Sending abusive messages to a member of the school community, including via text, email or social media
- Posting defamatory, offensive or derogatory comments about the school, its staff or any member of its community, on social media platforms

Inappropriate Use of Social Network Sites

Most people take part in online activities and social media. The school has Facebook and Twitter sites, and they can be a wonderful source of knowledge, support and advice. We encourage you to positively participate if you wish, with respect and courtesy, in accordance with the behaviours outlined above.

Social media is, unfortunately, being used increasingly to fuel campaigns and complaints against schools, headteachers, school staff, and, in some cases, other parents or pupils. This is unacceptable to all and will not be tolerated.

We always try to make sure that the school is a happy place but recognise that there might be times when parents/carers have concerns. It is not appropriate or acceptable to share your concerns on Social Media. You are encouraged to raise any issues with a member of staff; if you consider that the issue remains unresolved, then please use the School Complaints Policy.

Malicious posts - in the event that any malicious comments are posted on social media, they will be reported and/or other appropriate action may be taken. Burnopfield Primary School will also require that any such post would be removed immediately.

Cyber Bullying - the school will not tolerate the use of technology to bully others. Any incidents of cyber bullying will be dealt with using the school's anti-bullying policy.

Breaching the Code of Conduct

If the school suspects, or becomes aware, that a parent has breached the code of conduct, the school will gather information from those involved and speak to the parent about the incident.

Depending on the nature of the incident, the school may then:

- Send a warning letter to the parent
- Invite the parent in to school to meet with a senior member of staff, the Head Teacher or the Chair of Governors
- Contact the appropriate authorities (in cases of criminal behaviour)
- Seek advice from Durham County Council's legal team regarding further action (in cases of conduct that may be libellous or slanderous)
- Ban the parent from the school site

The school will always respond to an incident in a proportionate way.

The final decision for how to respond to breaches of the code of conduct rests with the Head Teacher; however, the Head Teacher will consult the Chair of Governors and Legal Team before banning a parent from the school site.
